Last Update: (12/15/99) BDenman:dal - 4.5.P.0

This policy has been reformatted for placement on Sandia's External Web site.

Background - 4.5.P.1

This policy addresses the actions required when a Contractor deviates from the requirements specified in the contract. This includes quantity, quality and other deviations.

Policy - 4.5.P.2

A deviation from contract requirements by a Contractor with regard to product or service, or a

variation from specified quantities, schedules, transportation instructions, discount or other contract Ts&Cs requires appropriate contractual documentation and consideration.
